

**GODAVARI FOUNDATION'S  
GODAVARI COLLEGE OF ENGINEERING, JALGAON**

**CORE VALUES**

- Teaching and learning is a shared responsibility between faculty and students.
- Enhancing student learning through innovative instructional methods.
- Providing students with the tools to become life-long learners.
- Encouraging students to become productive, participating citizens.
- Providing an atmosphere where faculty committed to learning, discovery and engagement are free to investigate, apply and transfer knowledge.
- Creating partnerships within the school and University, as well as with business and industry, to benefit student learning and technology transfer.
- Providing modern laboratories where students, faculty, and University staff, as well as business and industry personnel, can enhance their understanding of technology.
- Recognize an obligation to provide the appropriate environment to accommodate diversity of opinions, experience, opportunities and interpersonal relations.
- Pursue excellence in every activity.
