Objective

Seeking career growth in Management education and Information Technology industry where advancement opportunities exist based on contributions to institutional growth.

Academic Experience

College Name : Godavari College of Engineering, Jalgaon
Designation : Assistant Professor
University Approval : Approved by North Maharashtra University
Subject : Management Science
Academic experience : **02 Mar 2010 till date**

Academic Experience

Teaching	Branch of Engineering	Subject
Under Graduate	Computer & IT	Principals of Management
	E & TC	Industrial Management
	Electricals	Entrepreneurship Development
	Mechanical	Project and Business Management

Non-Academic : Training and Placement Officer since 02 Mar 2010 till date

Industry Experience

Twenty years of progressive experience and responsibility with documented success in the areas of Information Technology, Inventory Management, and Maintenance management, Training and general administration with Indian Air force

Information Technology Professional experience since Apr 02 to Oct 08

System Administrator : Window 2000 & Window 2003 R2 Server
Administrator : Symantec Antivirus Server
Trend Micro Antivirus Server

Network Administrator : Managed & Unmanaged switches, Media POTS, UTP and OFC

Database Administrator : MS SQL 2000 Server

Services catered to Fat and thin client systems totaling more than 500 nodes within a campus.

Responsibilities discharged

System Administrator : Window 2000 & Window 2003 R2 Server

Responsible for Administering
*Active Directory, DHCP Server, DNS Server, IIS, FTP,
Terminal Server TFTP, Disk Quota Management,
Apache, Backup*

Administration: Antivirus

*Symantec Antivirus Server 10.1 CE, Trend Micro Antivirus
Server, e-trust firewall, e-trust IDS*

Network Administrator.

*Primary responsibilities includes Planning, implementing and
maintaining Campus Area Network and OSPF based Wide Area
Network to provide un-interrupted network availability using OFC,
UTP and Telephone lines as media on various topologies and
acquired proficiency on devices*

*Enterasys Matrix 1H 582-51 Layer 3 switch (configuration and
trouble shooting)*

*Enterasys Horizon VH-2402-S2 Layer 2 manageable switch
(configuration and trouble shooting)*

Cisco router 1700 (Maintenance)

*DSLAM Bitstrom 2600 Paradyne (configuration and trouble
shooting) implementation using ADSL 2+ modems*

SHDSL Modems (configuration and trouble shooting) .

*RAS (configuration and trouble shooting) implementation using
analogue modems*

Database Administrator : MS SQL 2000 Server

Integrated Materials Management On Line System (IMMOLS) was developed to automate and fine tune the material management process in IAF with a view to reduce invisibility of items / spares leading to non-availability of weapon systems and to reduce inventory costs by minimizing non-moving inventory. The various objectives are viz Lean and Dynamic Logistics, Asset Visibility, Demand Based Provisioning, Standardisation, Dilution of Non Moving Items, Global Item Gallery and Audit and Equipment Accounting

IMMOLS software is developed by TATA Consultancy Limited. It's a truly IT enabled service since it reaches out to the last person i.e. the user in the chain of logistics management. Database Administrator IMMOLS is responsible for

(a) Adherence to various time bound activities as per task directive, Project directive of Air Headquarters

- (b) Ensure smooth running of application and data backup and recovery during crashes.
- (c) Ensure creation of masters/user ID during posting in, posting out or during leave / attachment of personnel and cancellation of documents.
- (d) Ensure deployment of patches as and when received from vendor i.e TCS.
- (e) Ensure resolution of all application related issues raised by various users and collation of all application observations.
- (f) Ensure training of personnel is carried out as per laid down schedule and proper record is maintained.
- (g) Ensure serviceability of all Hardware, WAN and LAN components.

Maintenance Function

- (a) Troubling Entry level servers.
- (b) Troubleshooting PCs and its peripherals.
- (c) Directed installed and operated radio communication equipment and systems, including field telephones and HF radios.
- (d) Supervised and performed preventive maintenance on assigned communication equipment.
- (e) Instructed newly inducted personnel in military radio system on a weekly basis using multi-media briefings.

Purchase & Inventory Function

- (a) Successfully forecasted purchasing needs.
- (b) Purchased facility items, maintained effective inventory control.
- (c) Skills in maintaining optimum stock levels.

Training Function

- (a) Conducted training need analysis and developed curriculum and evaluation plans.
- (b) Designed, developed and implemented instructor led training followed by thorough evaluation to assess impact.

Competencies

- (a) Able to serve as an agent for others, and trusted to speak on their behalf to accomplish desired results.
- (b) An experienced team player, bringing enthusiasm and energy into group efforts.
- (c) Capable of handling multiple projects concurrently.
- (d) Demonstrated ability to consistently meet deadlines.

Publication in International Journal

SI No	Journal Name	ISSN Number	Topic
1	Research Analysis and Evaluation	ISSN 0975-3486	Disaster Management: An Individualistic Approach
2	International Journal of Advance Electronics and Communication Systems	ISSN 2277-7318	Study of Women Faculties in Engineering Institutions

Publication of Book

SI No	Book	ISBN Number	Topic
1	Book	9781365979749	Analytical Study of Disaster Management in Jalgaon District

Qualification

Educational & Professional

Ph.D. Business Administration, North Maharashtra University (2016)
MBA (IT) Punjab Technical University, Jalandhar (2007)
MBA (Marketing) IGNOU, New Delhi (2005)
BA Kakatiya University, Warangal(1993)
Diploma in Electronics and Telecommunication CTI, Bangalore (1990)

Short term certificate Course

Database Administrator (oracle 10g) NIIT (2006)
JAVA & JSP C-DAC (2005)
Networking and Linux Administrator C-DAC (2004)

Personal Information

Name : Dr. Vijay Kumar Wankhede
Date of Birth : 22 Jan 1971
Father's Name : M R Wankhede
Permanent Address : S/O MR WANKHEDE,
Opp: Abhiyanta Bhavan, Bamb Colony,
Jamner Road, BHUSAVAL 425201
Dist : Jalgaon (Maharashtra state)
Phone : 02582-240538

Place : Jalgaon
Date : 09 Oct 2017
